Induro™

2-Point Mortice Lock

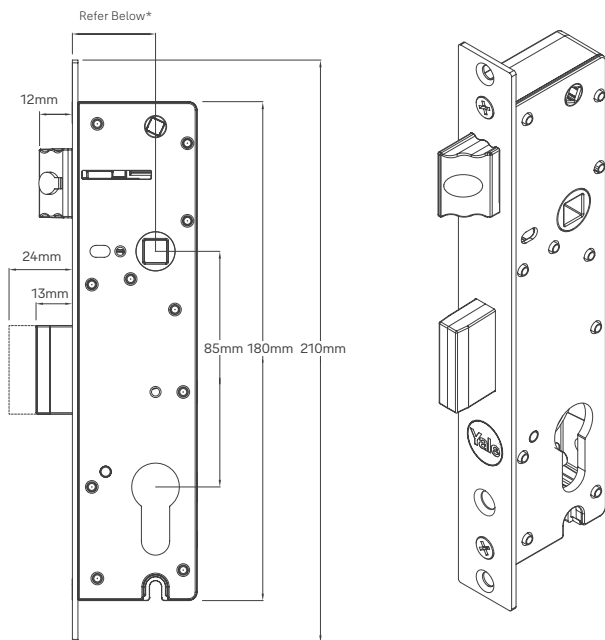

The Induro mortice lock offers a new and improved locking system with enhanced furniture options available. When deadlocked, the Induro 2-Point provides increased security with two points of locking. Made specifically for the New Zealand environment, this is an ideal locking solution.

Features

- Upgraded furniture also comes with safety snib for at home security, enabling easy exit if required
- Features two points of locking including the latch and deadbolt
- The handing of the lockset is adjusted by reversing the orientation of the latchbolt
- Standard kits are supplied with furniture and keyed cylinder
- Can be keyed alike to other ASSA ABLOY CYL4™ 5-Pin locks for one key convenience
- Stainless steel forend plate
- Adjustable latch projection
- Achieves Australian Standards AS 4145.2-2008 Security Level S7 and Durability Level D7

Trusted every day

*Available with 30mm, 40mm, 50mm or 60mm backset
