

Albany Endeavour SBML

INTERLOCK™

ASSA ABLOY

ASSA ABLOY, the global leader
in door opening solutions.

Combining the very popular Albany furniture styling with a concealed mortice style lockset, the Albany Endeavour Mortice lock offers the ultimate in residential sliding door hardware. The Albany Endeavour mortice range is simple to operate, requires a single action to lock or unlock, and can be supplied in a wide range of finishes and keying options. Suitable for use with aluminium, timber or uPVC horizontal sliding doors and windows.

Features

- Popular Albany styling combined with the concealed morticed lockset provides enhanced aesthetic styling and appearance
- One locking action activates two locking points
- Maximum door stile width 45mm
- Fully reversible for left or right-handed doors
- Anti-slam button prevents operation of the handle when the door is open, avoiding damage to the mechanism
- Opposing twin beaks prevent door being lifted from the track
- Unique red indicator on the deadlock shows when the door is locked
- Available in a full range of powdercoat and plated finishes
- Can be keyed alike to other ASSA ABLOY supplied locks and a selection of security products as part of the "One Key" security programme
- Non handed consistent snib movement

Options

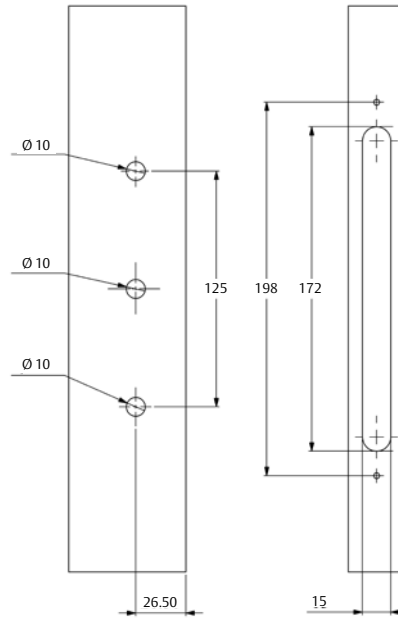

- Non-locking
- Locking
