

Velocity® Series Small Rose Door Handles

Description

The Velocity® 55mm Series is a stylish range of door furniture suitable for both residential and semi-commercial applications. Designed primarily for new installation, the range incorporates functionality for use with mortice locks in addition to Passage, Privacy and Dummy Levers.

Installation (Passage and Privacy sets)

Product Details

Rose Dimensions	55mm by 12.5mm - Round Rose 58mm by 12.5mm - Square Rose
Materials	All Velocity 55mm levers and roses are made from solid zinc die-cast.
Latches	Passage sets are supplied with a 60mm backset tubular latch and Mortice Lock Lever sets can be used with pre-latched doors and include a solid spindle when used on latches with plastic hubs. Privacy sets are supplied with a 60mm backset privacy latch which includes a locking pin for the inside of the door and an external emergency release function. The latch is automatically released when the internal handle is operated and is easily adapted for both open in and open out applications. All latches are supplied with industry standard "D" strikes. 70mm latch available as a spare
